-------------------------------------------------------------------------------

What is your branch? {CSE, CSAI, ECE} - CSE

What is your current gpa? - 8.9

-------------------------------------------------------------------------------
```

```
-------------------------------------------------------------------------------

List of courses that you might have completed :-

1. Data Structures and Algorithms
2. Algorithm Design and Analysis
3. Probability and Statistics
4. Machine Learning
5. Introduction to Programming
6. Money and Banking
7. Computer Networks
8. Simple Machine Learning
9. Natural Language Processing
10. Discrete Mathematics
11. Differential Equations
12. Real Analysis

Please list down all the courses that you have done :- I have completed Data structures and algorithms course and discrete mathematics course.

-------------------------------------------------------------------------------

List of interest that you might have :-

1. Economics
2. Finance
3. User Experience
4. Animation
5. Information Security
6. Machine Learning
7. Artificial Intelligence

Please list down all your interests :- I have interest in the field of Artificial Intelligence.

-------------------------------------------------------------------------------
```

```
-------------------------------------------------------------------------------

List of possible careers you might have thought of pursuing :-

1. Software Engineering
2. Artificial Intelligence Engineering
3. User Experience
4. Data Analyst
5. Natural Language Processing Researcher
6. Natural Language Processing Analyst
7. Natural Language Processing Scientist
8. Machine Learning Engineer
9. Network Analyst
10. Computer System Analyst
11. Field Service Engineer
12. Graphic Designer
13. Web Designer
14. Cyber Security
15. Film Making
16. Stock Market
17. Bank Manager
19. Finance Consultant

Please list down all your preffered career options :- I want to be a software engineer.

-------------------------------------------------------------------------------

Thanks for providing all the necessary information!
```

```
--------------------------------------------------------------------------------------

Thanks for providing all the necessary information!

The electives that you chould take are :-

--------------------------------------------------------------------------------------

ARTIFICIAL INTELLIGENCE

--------------------------------------------------------------------------------------

Thank You for choosing our Elective Advisory System! Have a great day ahead.
